

# EMANUEL BROTHERHOOD SUNDAY BREAKFAST & SPEAKER PROGRAM

**Sunday June 23, 9:00 AM**

**FEATURING: YECHIEL MARCUS**

## **Topic:**

**A Different Side of Israel:  
Social Issues Behind the Scenes**

Yechiel Marcus is a key member of the development staff and Planned Giving Advisor for the Jaffa Institute, a private, non-profit, multi-service social agency created to assist the city of Jaffa's severely disadvantaged children and their families.

Yechiel grew up in Sharon, Massachusetts and earned his B.A. at the University of Pennsylvania. After falling in love with Israel during 6 months of study in the country, he returned to the U.S. to finish his master's degree in social work, but held onto the dream of making Aliyah in the future.

In 1987, the Marcus family fulfilled their dream of moving to Israel, and in 2004 Yechiel joined the Jaffa Institute, where he could combine his financial and marketing experience with his social work background to make a greater community impact. Through Jaffa, children receive educational, recreational and social enrichment programs that enhance self-esteem and academic performance, that lead to break the cycle of intergenerational poverty in the greater south Tel Aviv area.

Everyone is invited to attend this free event.

Buffet Breakfast served at 9AM.

No need to RSVP
