SUBJECT: Resolutions

At the 1/4/22 meeting of the Emanuel Synagogue Ritual Committee the following resolutions were adopted:

1. The Emanuel Synagogue Ritual Committee supports the adoption of an additional/alternative havurah style Shabbat service. This service would be held no more than once per month within the Emanuel and may start after the regular Shabbat service and end at the same time. This service would follow the same COVID precautions as the regular Shabbat service.
2. With the graduation of our current Student Rabbi, The Emanuel Synagogue Ritual Committee unanimously supports engaging another student Rabbi or student Cantor for the 2022-2023 term.

Respectfully submitted,
